web: www.btv.nl

Rock4 needs the following equipment to make the performance:

- 1 Yamaha digital desk. Model: **DM 1000/V2 (if other models in use: please contact us!)**
- 4 wireless condenser microphones (Sennheiser 3000 or ew 565)
- 1 spare vocal condenser mic.
- 3 stereo inear sets and an extra receiver. **All Sennheiser!** We send 3 stereo groups, we have own headphones.
- 1 good quality **processor** controlled FOH system with subwoofers (EV x-array, Meyer, D&B C series)
- 2 good quality **Side** fills (min 15"two way)

FOH must be capable of reaching 100-dBa rms at the mix position.

If you have problems to deliver the above equipment, CALL US!!!
